Statement of Authorship

All listed authors must affirm that they have met the criteria of authorship. In order to meet the requirements of authorship, each author must have contributed to at least one aspect of **each** of the four criteria, as listed below. Please note that for Criteria 1 and 2, authors need only to meet one of the two items listed. Any individuals not meeting the criteria should be mentioned in the Acknowledgements section of the manuscript.

Per the criteria defined by the [International Committee for Medical Journal Editors](#) (ICJME), please note the contribution made by each author listed in the manuscript in the table below. Please add extra rows for additional authors if necessary. Each author should then sign against their name. Once complete, the corresponding author should scan the form and upload it with their submission. Please note that this is a mandatory step in the submission process – your manuscript will be returned if it is incomplete.
